

SWERVE SOCCER

AFTER SCHOOL FOOTBALL CLUBS

Welcome
to Swerve
Soccer

Swerve Soccer is a youth football service provider based in the South East of England. Swerve Soccer offers national and international programmes for ages 4-18 across Sussex with 400 active players attending weekly classes and over 5000 players attending our programmes since forming.

Swerve Soccer provide a safe, enjoyable atmosphere over the course each class with a focus on teamwork and a passion on improving every individual all within a pressure-free environment. Training sessions are underpinned by three core values: enjoyment, education and professionalism.

TRUSTED BY

BEDE'S

+
We have
over 10
years
experience

Sessions are lead by **FA and UEFA** approved football coaches who have a wealth of experience. Our dedicated staff offer a fun and holistic approach catered to each individual that attends.

A TYPICAL CLASS

CLASSES

Open to all abilities

The football club is designed to enhance social inclusion, ball mastery skills and technical attributes. These are open to boys and girls of all abilities. We aim to build confidence, ensuring maximum touches on the ball within opposed and unopposed practices.

Classes are engaging, fun and progressive throughout the year which can easily be adapted to the players and their individual characteristics. Our after school clubs is a fantastic vehicle to educate children and develop healthy habits and an active lifestyle. We teach values such as nobility, fair play, respect and cooperation so players can utilise these essential attributes on and off the field of play.

Dynamic classes built around your school

Class Length

Sessions typically last one hour but can be modified to fit into school timetables and structure.

Ratios

1:16

Equipment

We do not cut-corners when it comes to providing top of the range equipment. Swerve Soccer ensures to use the correct size footballs for each age group and utilise Quickplay target goals so players can have the full footballing experience they deserve.

OFFERS

10% sibling discount

'Pupil Premiums' offer a fixed **25%** annual fee for parents which is either covered by the School or Parent. This is limited to one child per ten registrants.

Through our after school football clubs we also offer regular **discounted** holiday camps and programmes.

BEHIND THE SCENES

Swerve Soccer is dedicated in offering a 360° service. All Swerve Soccer staff are enhanced DBS verified, first aid trained and FA or UEFA qualified. We have Public Liability insurance that covers up to 10 million and we follow an extensive risk assessment plan for all our activities. Parents information is kept securely with online password protected registers for sign in and out.

All policies and procedures are kept up to date which include our Code of Ethics, Code of Conduct, Equality, General Emergencies and Child Protection.

COVID-19

Swerve Soccer follows a strict mitigation process that allows us to host our after school clubs in a COVID-compliant environment. Our extensive risk assessment will be provided on request and we will work in-line with School, FA and Government guidelines.

PUTTING THE PLAYER FIRST.

ETHOS

Swerve Soccer staff put the player first, are mindful of each individual needs and ensure each child is the centre of attention. We will focus on effort rather than outcome and help grow individual performances through trial and error.

As a Swerve Soccer member, we will aid players through motivation, without any prejudice and without intimidation or shame/violence. Swerve Soccer will focus on enhancing each players development through educational strategies and technical training sessions. We believe in providing a culture that gives players the chance to express themselves and be creative.

Our focus will be on progressing all involved with repetition when required for each and every player. We wish to provide a healthy and competitive environment that encourages confidence and risk. We do not look at our programme as 'just coaching', we aim to impact each player's day-to-day lives by providing a system where we encourage character development, self-discipline, self-motivation, self-worth and joy of life.

We have been working with Swerve soccer for 10 years and have seen the club go from strength to strength. The pupils can't wait for the Friday club to come around and always enjoy the activities and challenges on offer. The Swerve coaching staff encourage pupils to achieve throughout the session and are also happy to feedback and offer advice to parents.
